

CONSULTANCY SERVICE TO UNDERTAKE END OF IMPLEMENTATION EVALUATION FOR SATF STRATEGIC PLAN 2018/2022

1. Introduction

Social Action Trust Fund (SATF) is registered under the Trustee's Incorporation Ordinance (Cap 375) of 1956. SATF was capitalized by the United States Agency for International Aid (USAID). The Trust commenced its activities in April 1998. SATF is dedicated to supporting Most Vulnerable Children and address the impact caused by HIV and AIDS and poverty in Tanzania in accordance with national guidelines on Most Vulnerable Children (MVC). This is achieved through the provision of grants and technical support to Civil Society Organizations (CSOs) Non-Government Organizations (NGOs), Faith Based Organizations (FBOs) and Community Based Organizations (CBOs) registered in Tanzania. Currently the Trust is operating in 36 district councils in 19 regions.

2. Overview

From the year 2018 to 2022 SATF has been implementing a five-year strategic plan focusing on five key results areas namely, Investments, Programs and Resource Mobilizations, Human Resources, Communication and Publicity. During the midterm review the Trust have increased comprehensiveness in MVC service delivery by integrating core MVC Care and Support thematic areas that includes Education support, Health Care, Household Economic Strengthening as well as Child Protection as stipulated under the National Costed Plan of Action (2018) and the National Guidelines for Improving Quality of Care, Support, and Protection for Most Vulnerable Children in Tanzania(2009) along with the National Costed Plan of Action for Ending Violence Against Children and Women (2017-2022). The current Strategic Plan is coming to an end in 2022. Before developing the new strategic plan, the Trust would like to conduct end of implementation assessment.

3. Purpose and scope of work.

Social Action Trust Fund intends to engage a consultant to undertake the end of implementation evaluation covering the period of strategic plan implementation ie 2018 to 2022. The evaluation shall seek to determine the relevance of planned interventions, efficiency, effectiveness, impact as well as sustainability of implemented activities. The **detailed ToR** can be accessed through SATF website **www.satf.or.tz**.

4. Consultant's minimum requirements and Qualifications:

The Trust is looking for a Firm specialized in project assessment assignments or an Individual Consultant with the below qualifications.

- Advanced university degree in Social Sciences, Business Administration, Community Development, Public Health, or any other related field of study with track experience in project management.
- Solid working experience in the review, evaluation and assessment of community projects and development projects.
- Good understanding of Tanzania Social welfare system, MVC/OVC programming and Endowment constituted organizations.
- Ability to analyze the performance of economic situation of the Country in relation to investment base of the Trust.
- Ability to analyze, plan, communicate effectively orally and in writing, meet expected results and produce well written analytical report.
- Fluency in English and Kiswahili languages

Interested individuals with the above-mentioned qualifications should send application through info@satf.or.tz. The deadline for submission of Application package is 15th July 2022.
